

November Prayer Letter

A Month of Gratitude and Fruitfulness

As we step into November, the season of Thanksgiving, my heart overflows with gratitude for the incredible ways God continues to work in and through our lives. This past month has been a season of fruitfulness and profound blessings, reminding us of His faithfulness and provision.

The Lord opened a unique door for me to minister to a Nepalese church plant in Canada. It was a joy to preach from God's Word and lead a counseling workshop titled "Dealing with Fear and Anxiety." Speaking in Nepali after so long was a gift, allowing me to sharpen my skills in my native language. Following that, our journey led us to First Baptist Church in Northville, MI, where we had the privilege of presenting our ministry and enjoying warm fellowship with the believers there.

Another highlight of November was speaking at a Missions Banquet at Kentwood Community Church in Kentwood, MI. We concluded the month with a family trip to Grace Baptist Church in Decatur, IL. There, we shared our ministry during Sunday School and I had the honor of preaching during the Morning Service. The hospitality and care from these churches left us deeply moved and grateful.

Looking ahead, our calendar for next year is filling up with bookings at several churches. Brenna and I have come to treasure the deputation ministry. It has been an immense blessing—giving us the opportunity to meet believers across the country, share in fellowship, and encourage churches to deepen their commitment to the Great Commission. This ministry reminds us of a vital truth: the mandate to share the gospel is for the here and now. There will be no soul-winning in heaven; it is a mission entrusted to us by Christ during our time on earth. We are honored to encourage churches to make this mission their own.

Praises and Milestones

This month brought us specific reasons to rejoice:

- Through your prayers, we were able to purchase a van for deputation. We even took our first trip in it to Decatur, IL!
- I was humbled to be conferred with a Doctor of Ministry (D.Min) degree through Liberty University. This milestone marks the culmination of a long academic journey, made possible by God's grace and the unwavering support of my wife, Brenna. My prayer is to use this education to further the Kingdom of God in Nepal and wherever He leads us.

We are truly humbled by God's providential care for our family.

Prayer Requests

We covet your prayers as we move forward:

- Pray for continued bookings, monthly support, and one-time gifts to sustain our ministry.
- Pray that God will use us to inspire churches toward greater involvement in the Great Commission.
- Pray that the churches we visit will strengthen and encourage us to stay faithful to the calling.

Deputation and travel come with challenges, but this month has reminded us of the privilege we have—this is all preparing us to proclaim the gospel to the unreached, to witness lives transformed for eternity, and to glorify God in all that we do.

A Heartfelt Thank You

To our partners in prayer and support, we are deeply thankful for you. Your intercession strengthens us; your generosity fuels our journey. We are committed to representing you and our Lord well as we share the gospel in Nepal. To Him alone be all the glory!

Thank you for standing with us in this vital work.

With gratitude,

Trusting in Christ,

Dr. Kshitiz Sharma Ghimire, D.Min
